

NAME: **AIR POLLUTION CONTROL DISTRICT
ADVISORY COMMITTEE**

LEGAL AUTHORITY: The Air Pollution Control District Advisory Committee was established by Board Order No. 1 APCB, on May 17, 1988.

**MEMBERS
APPOINTED BY:** Board of Supervisors

**MEMBERSHIP
COMPOSITION:** The Committee shall have nine members. Five members shall be from the general public, one nominated by each Board Member from his or her Supervisorial District. The five public members shall have demonstrated interest or expertise in the field of air pollution control. Two members shall be nominated from a list of candidates recommended by environmental groups and two shall be nominated from a list of candidates recommended by businesses (one large business and one small business) regulated by the District or associations representing those businesses.

TERMS: Each Committee member nominated by a Board member shall serve a term which shall run concurrently with the term of the nominating Board member. However, all Committee members shall continue to hold office until his or her successor has been appointed. Environmental group representatives shall serve a term of four (4) years.

DUTIES: Recommendations relating to the District's annual budget permit fees, annual progress reports and regulatory changes.

**MEETING DATE
AND LOCATION:** Second Wednesday
10124 Old Grove Road, San Diego, CA 92131

COMPENSATION: Committee Members shall serve without compensation.
